## Multipurpose scrubbing cream

**VIGOR PLUS** is compatible with many materials such as melamin, fiberglass, stainless steel, porcelain and chrome. **VIGOR PLUS** cleans and degreases without scratching the surfaces of bath tubs, wash-basins, sinks, showers, toilets, urinals, ceramic (wall tiles) and faucets. It effectively removes the tough stains like grape juice and black marks.

### DIRECTIONS

Shake well before using.

#### For general cleaning

1. Pour a sufficient amount of **VIGOR PLUS** on a cloth or wet sponge.
2. Rub the surface to be cleaned. Let it dry, then wipe off with a wet cloth – OR – rinse thoroughly and dry with a soft cloth.

#### To clean toilet bowls and urinals

For urinals, remove the screen. Pour **VIGOR PLUS** on to the surface (porcelain), under the rim and at the water inlet and outlet where stains can be formed. Let **VIGOR PLUS** stand for a few moments, clean with a toilet bowl mop and then rinse by flushing water.

**For food plant use:** Avoid contamination of food. All surfaces subject to food contact must be thoroughly rinsed with potable water after use of this product.

**Warning:** Do not use on woodwork, wooden furniture, copper, silverware and anodized aluminium.
